ACCIDENT HINTS

Telephone at once when passengers are hurt as the result of car collisions, rounding curves, controller flashes, runaway cars or derailments, giving the names and addresses of injured persons.

Don't give any information whatever concerning an accident except to a properly authorized representative of the company.

Endeavor to obtain the name and address of every possible witness to all accidents and incidents, however slight, in connection with or near your car.

If out of town addresses are given by injured persons or witnesses, ask for local addresses.
